PLANS MADE FOR COLONEL'S VISIT

Doors of Amphidrome to Open at 6:30 O'Clock

The county committee of the national Progressive party met yesterday afternoon in the offices of John J. Eichkorn in Hancock to make the final plans for the appearance of Colonel Roosevelt at the Amphidrome tomorrow night.

The committee voted to reserve seats for the use of contributors to the expense fund of the Progressive party and announced that outside of the seats reserved for the contributors, the members of the Colonel's party and the county committee, all seats would be thrown open to the general public without any favoritism shown to anyone. The doors will open at 6:30 and up to that time the officers in charge of the arrangements will be the only people permitted inside the building.

Reception Committee Chosen.

The committee further voted to select a reception committee to board the Colonel's train at L'Anse and come to Houghton with the distinguished visitor. The committee will be composed of the following: County Chairman J. J. Eichkorn, Richard Sampson, F. C. Mayworm, Edwin Henwood, John Kusick, W. C. Kaith, the Ojala, Dr. P. D. MacNaughton, W. H. Mason, Angus M. MacDonald, Edward Woodward, Fred Larson, N. A. Ruona, James T. Fisher, George Fox, F. A. Jeffers, Rev. J. A. Ten Brueck, Jacob Utill, Rev. Daniel Stalker, W. H. Dodge, John Lally, J. P. North, John McPhail, Frank C. Condon, Walter McVicar, Franz S. McKindles and Earl Trangmar, John E. Mackay, Charles Musford, Ralph Nickerson, Paul Tommell, Charles V. Willis.

W. J. MacDonald will leave today for St. Ignace to meet the candidate's train and will come through to Houghton with him.

Dodge to Preside.

On the arrival of the train at Houghton, the Colonel and party will alight and proceed to the stage at the east end of the Amphidrome. The meeting will start at once, Rev. William Reid Cross, rector of Trinity Episcopal church opening the meeting and being followed by Dr. W. H. Dodge, who will preside and make the address introducing Roosevelt.

The veterans of the George Miller camp, Spanish War Veterans, who served with Colonel Roosevelt in Cuba, together with the members of the Houghton Light Infantry, have volunteered for police duty and will assist

the regular police force in keeping order.

The Program for Evening.

Chairman—Dr. W. H. Dodge, mayor of the city of Hancock.

1. Selection, C. & H. band.

2. Invocation to duty—Rev. Mandus Barrett of Hancock.

3. Campaign song—Portage Lake Glee Club.

4. Address—George D. McClellan, "Issues of the Campaign on the Progressive Platform."

5. C. and H. band with vocal accompaniment by Glee Club and audience.

6. Introduction of Colonel Theodore Roosevelt, by William J. MacNaughton, candidate for Congress on the National Progressive ticket.

7. Address—Col. Theodore Roosevelt.

8. C. and H. band with vocal accompaniment by Glee Club and audience.

The program will commence promptly at 7:30.

LOCAL MAN HAS CONTRACT.

George Marcotte Shifting the Main Street at L'Anse.

George Marcotte, the Houghton contractor, has begun operations on a \$7,000 contract for the village of L'Anse for the shifting of the main street, where it crosses the Fall river. The street is to be shifted 150 feet south to make additional space for the plant of the Marshall Brothers Lumber company, the institution that is going to bring about the salvation of the village.

The contracts includes the cutting out of a new street, grading it and constructing it of copper country mine rock and building a concrete bridge across the river. Mr. Marcotte has a big gang of men at work and expects to have his contract completed this fall.

This contract is an indication of the public spirit of the village administration at L'Anse. The village realizes the tremendous importance of this new mill and is willing to do anything and everything to further its plans. The main street at present runs too close to L'Anse bay, making the company's mill site rather contracted. The shifting of the street will increase the working space for the mill and yards. The village is not doing this on its own position because the Marshall Brothers company has 200 men at work on the ground and is willing to increase this force to 300.

The company's work thus far has been the construction of the concrete foundation for its main mill building. This building is 215 feet long and 61 feet wide. Attached to it at its southwest corner is to be a big lumber sorting shed, 175 by 69 feet. To the north of the mill building will be the big power plant.

Agricultural communities will be established on government and railroad lands in Alberta and neighboring provinces in western Canada and settled by young men and boys from England.

ARRANGE FOR G.O.P. MEETINGS

Rallies Will Be Held Thursday Night in Three Towns

County Chairman Shields of the Republican county committee has made final arrangements for the three rallies which are to be held at the Amphidrome in Houghton, the Light Guard Armory in Calumet and the Glaciadom in Mokawk Thursday evening.

The original plans called for three meetings in the upper country and this part of the program will be adhered to. In addition to the speakers who will arrive here on the Taft Special, which is touring the upper peninsula, the national committee has sent two men on the trail of Colonel Roosevelt. One of these is J. Adam Reeds of Minnesota, one of the most entertaining former members of the Congress, who was known as the "humorist of the House." The other of these speakers is John M. Harlan of Chicago, a well known Illinois lawyer.

As soon as he heard that these two speakers were scheduled to come to the copper country a day after Colonel Roosevelt appeared, Mr. Shields got into communication with State Chairman Grossbeck at the Soo, asking him to postpone his trip so that the Minneapolis party would get here on Saturday. He was informed that this was impossible and that he would have to make the best arrangements he could for meetings on Thursday. Accordingly, Amos S. Musselman will speak at all three meetings, Harlan and Reeds will speak at Calumet and Houghton. Alex J. Groesbeck will address all three meetings and some of the other speakers are scheduled to make two addresses. This will make some quick shifting necessary and force the Taft speakers to make their addresses somewhat shorter than they would like to as only three hours are devoted to the copper country and the trip to Calumet and back will take some time.

The program for the three meetings is as follows:

Motors—Glaciadom—Hon. Duncan E. McKinley, Hon. H. O. Young, Amos S. Musselman, Alex J. Groesbeck.

Calumet—Light Guard armory—Col. A. C. Rankin, John M. Harlan, Amos S. Musselman, Alex J. Groesbeck.

Houghton—Amphidrome—Hon. J. Adam Reeds, Col. A. C. Rankin, John M. Harlan, Hon. Duncan E. McKinley, Amos S. Musselman, Alex J. Groesbeck.

Democratic Rally in Hancock.

The Democratic rally that was to have been held in Calumet Thursday night has been transferred to Hancock and the Hancock Republican rally has been suspended for Mokawk out of courtesy to the opposing speakers according to the announcement of Chairman Shields. Political animosity is no precedent now according to the county chairman of the Republicans and he believes that better results will be obtained by this method. The Taft Special to the copper country was postponed a day owing to the Roosevelt trip through here.

GAME AND DANCE SATURDAY.

Committee Meets and Decides to Give Dance at College Gym.

A meeting of the committee in charge of the fountain game and the other inter-class activities of the opening of the college year at the college of mines, met last evening and after a long discussion voted in favor of the cancellation of giving a dance at the college club house next Saturday evening.

The annual sophomore-freshman football game will be played next Saturday afternoon at the Hancock driving park. Both teams have been out for the past few days and are practicing several on the College avenue in view of the aid of artificial light. There is a wealth of material to choose from in each class and a good game should result.

The committee received a communication from the Hancock high school stating it would be possible to secure the park for part of the afternoon as the Hancock and Hancock high school games were scheduled for a game at Hancock next Saturday. The committee refused to consider this proposition and the Hancock-Houghton game will have to be played in the morning or else transferred to another field.

HONORS IN PENMANSHIP.

A. E. Spaulding Announces Weekly List of Honor Pupils.

A. E. Spaulding, supervisor of penmanship in the Houghton public schools has announced the following list of pupils who have done the best work in their respective grades for the past week:

Central—Grade II, Marion Hanky; grade V, Gladys Thorne; grade VI, Owen Sheridan; grade VII, Helen Martin; grade VIII, Mary Flink.

J. A. Hallibut—Grade II, Edward Raitha; grade III, Ida Beck; grade IV, Helen MacNair; grade V, Georgia Stone; grade VI, Mary Uren; grade VII, Harry Schindler; grade VIII, Helen Molin.

Houghton—Grade II, Helen Lahti; grade III, Olga Sauer; grade IV, Blanche Wedde; grade V, Stephen Schank.

Douglas—Houghton—Grade II, Mamie Karry; grade III, Agnes McGann; grade VI, George Edwards; grade V, Emma Congdon; grade VI, Merney Oberle; grade VII, Leona Guttentag; grade VIII, Saloma Martin.

To Amuse Children.

Children who must be amused on bad days will find a "ring toss" game a delight; it can be purchased for 50 cents with four rings and a red stick for outdoor use, or a red wooden stand so that the game can be played indoors on rainy days; it is a good game for children of almost any age, for the older ones always find much fun in it, and it teaches the little ones to aim well and throw correctly.

French shoe manufacturers say their business is practically ruined by cheap shoes from the United States.

The Boss—Where is the "Back in Ten Minutes" sign?

The Boy—The man next door borrowed it, sir. He said he was going to the ball game.

Children are now hatched by automatic electric incubators.

THE WILLING ACCOMPLICE

Prof. Wilson: "Soak him, Teddy! Every time you hit him I get a vote."

PAINESDALE TEAM WILL WORK BEFORE GRAND LODGE

MEMBERS OF ODD FELLOW TEAM WILL LEAVE FOR DETROIT ON FRIDAY.

The Painesdale lode degree team, L. O. O. F., will leave Friday evening for Detroit where they will put on the initiatory degree at the Grand Lodge sessions. The chance to participate in this manner is a great honor conferred upon the lodges. The team has been practicing for the past three months and has succeeded in getting the work down to a high degree of perfection. At an initiation last Saturday evening at the Painesdale Memorial library the work of the team was greatly commended by those present, all of whom are convinced that the team will make a hit at Detroit.

Those who go to Detroit are as follows:

Noble grand—Edward Cowling.

Vice grand—Charles Francis.

Past grand—Josiah Carne.

Right supporter, noble grand—John Angove.

Left supporter, noble grand—William Harlan.

Right supporter, vice grand—Harry Pfeil.

Left supporter, vice grand—John Dudley.

Warden junior—Thomas Narverog.

Warden senior—James Trecoza.

Conductor—John Narverog.

Chaplain—David Speer.

Scout supporters—Harry Chappell, Fred Jenkins.

Inside guardian—Wilfred Blewett.

Outside conductor—Stephen Simons.

Score bearers—Thomas Dudley, Bert Jane, William Vise, Leonard Perry.

Torch bearers—George Kelley, Chesteratic.

Piano—Arthur Sims.

Delegates—Edward Cowling, past grand, and Charles Francis, past grand.

Degree captain—Edward Cowling.

PHYSICAL DEPT. VERY POPULAR

Director Wagner Outlines Need of Special Training

By C. J. WAGNER.

Physical Director Houghton High School.

One of the greatest evils of our modern school methods is the confinement of a large number of pupils for from five to six hours per day. The nature of our school organization requires that the pupils sit quietly at their desks during the greater part of this long period and, as the desks are often very ill-fitting and out of proportion to the pupil, much physical harm results.

The immediate results of this sedentary life are disturbances of many natural functions, digestion and nutrition are impaired, the respiration becomes shallow, the circulation is retarded and soft and rapidly-growing bone structure is frequently pressed upon and displaced, causing physical deformity.

To counteract these evil tendencies, at least in a measure, physical training has been made a part of our school work. It is useful in not only furnishing a slight relaxation from confinement but also as a recreation from mental strain. Muscular exercise stimulates the various organs of the body, the heart beats more rapidly and strongly, respiration becomes more frequent and deeper and digestion is greatly improved.

In addition to this, well regulated exercise brings about a straightening of the limbs while the muscles of the body are strengthened so that they not only prevent deformities but will correct existing abnormalities.

The educational value of physical training must also be considered as well as its developmental and hygienic importance.

Through daily exercise, the pupils are led to think of their physical condition. Their attention is directed to the many things that help to undermine health and they are taught to appreciate the value of a strong well proportioned body and to detect their own and others' shortcomings. The habit of exercise is also formed and continues with the student in later life.

The direct training of the motor nerves insures better co-ordination, resulting in a lesser expenditure of vital energy in any and every kind of muscular work as well as lending grace to every movement. The training of

Keeps Your Stove "Always Ready for Company"

A bright, clean, glossy stove is the joy and pride of every housekeeper. But it is hard to keep a stove nice and shiny unless Black Silk Stove Polish is used. Here is the reason: Black Silk Stove Polish sticks right to the iron. It doesn't rub off or dust off. Its shine lasts four times longer than the shine of any other polish. You only need to polish one-fourth as often, yet your stove will be cleaner, brighter and better looking than it has been since you first bought it. Use it.

BLACK SILK STOVE POLISH

on your parlor stove, kitchen stove or gas stove. Get a can from your hardware dealer and keep it. If you have ever used *any* other polish, you will agree with us that it is not nearly so good. Many dealers are now using Black Silk Stove Polish and who says it is the "best polish ever made?"
